If the following underwriting assumptions and conditions are not met, the terms and premium rates in this package will not be valid.

- This contract will be issued in OH and governed by OH state legislation.
- The proposed services, rates and fees are effective from June 01, 2026 through May 31, 2027.
- The medical rates quoted herein incorporate any and all applicable discounts. If the plans or products selected are revised, by either adding or removing specialty products, the medical rates may be revised (up or down) so that the resulting rates are both adequate and reflect any applicable bundling savings or discount.
- This quote provides coverage highlights only. A specimen copy of the policy is available upon request. Benefits chosen are subject to the terms and conditions in the documents that form the contract between the group and Anthem Blue Cross and Blue Shield.
- Employers, as plan sponsors and administrators, are responsible for complying with all applicable laws.
- If not yet approved by the applicable insurance regulator, these benefits and rates may need to be adjusted.
- An employer-employee relationship must exist for all eligible employees, or the quote will not be valid.
- An eligible employee is defined as an active, permanent employee who works for pay or profit at least 30 hours a week, 50 weeks a year, as of the effective date, and who completes the waiting period for eligibility. Seasonal employees, temporary employees or employees working less than 30 hours a week are not eligible.
- Cash in-lieu-of coverage cannot be offered as part of the employer's contribution schedule.
- Where consistent with applicable law, if the number of full-time employees falls below the minimum for a Large Group, upon request Anthem may offer the group any small group medical product for which it qualifies.
- Employees in Hawaii are not eligible for coverage under this plan.
- The proposal assumes the same enrollment for medical and drug coverages.
- The cost for our standard reporting package is included.
- This quote assumes that at least 50% of eligible employees and 75% of net eligible employees will participate in this plan (net eligible is total eligible less valid waivers). In order to encourage employee participation Anthem Blue Cross and Blue Shield recommends that the employer contribution be at minimum 50% of the employee rate for the least expensive benefit plan.
- All employees requesting waiver of coverage must submit satisfactory evidence of qualifying existing coverage.
- Anthem products quoted cannot be offered along with another carrier's defined contribution plan.
- Anthem's rates assume no self-insuring by the employer of underlying member cost shares. The benefits purchased from Anthem must be communicated to the members without changes. A member's financial responsibilities, including, but not limited to, deductibles, coinsurance, copays, out-of-pocket maximums or, for nonparticipating providers, balance-billed charges must be paid solely by the member. The client may not partially pay, reimburse or otherwise lower the member's costs of care. Any deviation will require Anthem to reevaluate the quoted rates or cancel the offer of coverage.
- Electronic eligibility or tape feeds must be in a format compatible with Anthem's systems.
- Rates are quoted on a monthly fully insured non-refunding basis.
- This proposal expires 60 days from the date of release or on the effective date, whichever is sooner.
- Anthem Blue Cross and Blue Shield will be the sole carrier.
- Anthem Blue Cross and Blue Shield has the right to change this proposal or these rates under any of these circumstances:
 - Employees are given the option to purchase individual market insurance using cafeteria plan (Internal Revenue Code section 125) funds
 - Any taxes, fees and assessments set by any statutory, regulatory or other legal authority, that in Anthem Blue Cross and Blue Shield discretion no longer makes the quote valid
 - A change in contract period
 - Changes in benefits, services or networks
 - Change in nature of the employer's business
 - Change in ownership of employer's business
 - Total enrollment or enrollment distribution by membership type, product, demographics or location changes by 10% or more from that assumed when preparing pricing for this package
 - COBRA enrollment exceeds 10% of total enrollment
 - Legislative and/or regulatory changes or mandates that materially impact the policy or the employer's plan documents. Plan documents will include those used to create the terms of the plan.
 - Changes in the terms, conditions, services or products from those assumed when developing the pricing
 - A change in employee contributions of 10% or more
- The premium grace period is 30 days from the billing date.

The charge for Daily data feeds to a single supported vendor, not to exceed 365 feeds, is \$20,000 annually. Additional fees would be required for Rx integration feeds and telemedicine.

- This renewal is contingent upon the group / plan sponsor being current with all premium or fees as of the effective date of the renewal, unless specifically agreed to in writing in advance by Anthem.
