Health insurance as it should be[®]

Proposal for

Robertson Truck Group

Meet Sidecar Health

A smarter path to predictable costs and better coverage. We bend the cost curve by paying the typical local cost for any care members need. They can choose any provider they want. If they spend more, they pay the difference. If they spend less, they keep half the savings. With 99% of claims approved, this is insurance they can count on.

**Give your team
real power over
their healthcare**

With Sidecar Health, your employees get:

- **Freedom to see any doctor:** No networks, no referrals.
- **No prior authorizations:** Doctors should make care decisions, not insurance companies.
- **Upfront pricing for care and prescriptions:** No surprises.
- **Money back:** Members keep half the savings when they choose lower-cost care.
- **No formulary restrictions or step therapy:** Superior access to prescriptions.
- **No surprise bills:** Clear, transparent coverage.
- **Real help when they need it:** 95% of calls answered in under 10 seconds.

Quote proposal

Employer-sponsored, large group major medical plan

Robertson Truck Group

Coverage Period: 06/01/2026 - 05/31/2027

Date of Proposal: 03/17/2026

Presented by: Joe Blascak

Proposed plan option		Employee Only	Employee + Spouse	Employee + Child(ren)	Employee + Family	Total Monthly Cost	Plan selection(s)
Sidecar Health Employer (0/5000)		\$441.83	\$971.14	\$745.81	\$1,363.93	\$25,887.71	☐
Projected Enrollment - Plan 1		11	3	6	10	30	
Broker Service Fees	\$0.00 PEPM						

Additional Proposal Considerations

Rates subject to change upon receipt and review of revised renewal and/or other additional material data (e.g., census, experience, large claims). Sidecar Health reserves the right to re-rate if final membership varies by more than +/-15% from the quoted population. This proposal is valid for sixty (60) days from the Date of Proposal above (e.g., on or before 5/16/2026).

Significant Savings	Anthem Premium Rates	Sidecar Health Premium Rates	Savings*
Year 1	\$392,698.68	\$310,652.52	\$82,046.16
Year 2	\$467,544.48	\$334,572.76	\$132,971.72
Year 3	\$556,655.40	\$360,334.87	\$196,320.53
Total Estimated 3-year savings			\$411,338.41

*Assumes Anthem current year and Sidecar Health trend rate increases YOY for next 3 years.

Final plan and rate confirmation

Group representative name:

Group representative signature:

Group representative title:

Date of confirmation:

Just like legacy plans, Sidecar Health offers:

- Medical and pharmacy coverage
- Preventive care that bypasses the deductible
- Nationwide access to care
- Coverage in emergencies

What makes Sidecar Health different?

See any doctor

Members can get care anywhere from any licensed provider.

No networks or referrals.

No prior authorizations

Care decisions happen between patients and doctors. We stay out of the way.

That's why we approve over 99% of claims.

No surprise bills

Totally transparent coverage means costs are clear upfront so there's no confusion or unexpected bills.

Earn money back

When members choose lower-cost care, they get to keep half the savings. They can use that money for future care or receive it as a payout at the end of the year.

Better pharmacy access

No formularies, tiers, or step therapy, so members get the prescriptions they need when they need them.

More than 99% of claims with dates of service from 1/1/24 through 12/31/24 were approved, with less than 1% denied for clinical reasons. This rate excludes denials for non-clinical reasons such as eligibility or coding errors.

Sidecar Health benefits summary

The Core Details	Sidecar Health Employer (0/5000)
Deductible (Individual / Family)	\$5,000 / \$10,000

Proposal Clarifications | Sidecar Health Employer Plan

Underwriting

Sidecar Health Insurance Company (NAIC #17104) underwrites this large group major medical insurance for employers (with 51 or more employees). Sidecar Health Insurance Solutions, LLC markets and administers this product.

This proposal and the proposed rates are subject to final underwriting approval and are subject to change in the event of changes in benefits, plan design selected, participation, or changes in the risk factors upon which this proposal is based.

Sidecar Health Insurance Company may decline to offer, or may re-rate, coverage if any of the information provided in the application or during the underwriting process is inaccurate, incomplete, or changes prior to the proposed Coverage Period.

This proposal is valid for sixty (60) days from the date of the proposal.

High Level Summary

This is a high-level benefit summary. See Certificate of Coverage for details. As used in this proposal, \$0 means no deductible or other cost-sharing up to the Benefit Amount. If a provider charges above the Benefit Amount, the member is responsible for the difference between the Benefit Amount and provider charge up to the Excess Charge Limit.

Calculation of Premium

Monthly premiums will be calculated based on the following methodology:

New employee enrollments: premium is calculated based on the number of days employees are covered during the month; i.e., it is a daily rate calculation. For example, if an employee is enrolled on April 10, the employer will be charged premium for 21 days (from April 10 to April 30) for that employee.

Employee terminations: (i) employees who are enrolled and terminate within 1 day of coverage or less are treated as having no effective coverage (\$0 premium charged); (ii) employees who terminate coverage after the first day of coverage will be charged premium based on the actual number of days they were covered. For example, if an employee terminates coverage on April 15, premium is charged for April 1-15 for that employee.

Mid-month coverage change (for example if an employee changes from employee-only coverage to employee+spouse coverage mid-month due to a qualifying event): an employee who changes their coverage mid-month will be charged premium based on the number of days of coverage under the old policy **and** the number of days of coverage under the new coverage. For example, if the employee changes their coverage on April 12, then premium will equal April 1-12 (old coverage) + April 13-30 (new coverage).

Broker Service Fees

For convenience, the proposed rates are inclusive of broker service fees identified above, which are not part of your premium, but are fees agreed between the group and its broker for services rendered on behalf of the group that Sidecar Health bills on behalf of your broker.

Proposal Clarifications | Sidecar Health Employer Plan (continued)

Employer Responsibility regarding Employee's Earnings

While enrolled with Sidecar Health, employees may generate cash back when they receive certain services at a price below what the plan pays. These amounts accumulate throughout the year, and any unused amounts are distributed to the group ~120 days after the plan's deductible resets (or 30 days of an employee's termination).

We believe the IRS is likely to treat these amounts as employee compensation and that groups should treat these as wages, paid out and taxed accordingly in the year they are distributed to the group. As the employer, the group is responsible for any employer payroll taxes. We encourage you to consult with tax and payroll advisors on how to manage these payments to employees.

Deductible Credit

This quote includes the election of a deductible credit. Under this provision, deductible amounts paid under another health insurance plan during the same calendar year in which the Sidecar Health plan becomes effective will be applied toward the Sidecar Health deductible.
